Capstone Weekly Report

Week Number: 5

Name: Daniel Sinderson

My goals for this week were to:

1. Figure out what I'm doing.

I made the following progress on these:

I decided to skip the second case study. My paper is already 37 pages with one or two more on the way and my presentation is maxed on time even when I rush. I'm now editing my paper and presentation.

I have the following questions and concerns I want to discuss with my capstone advisor:

It's all edits until the end now.

Some tentative goals for the coming week are:

1. Edit my paper.
2. Finish my paper's conclusion.
3. Edit my presentation.
4. Look over my classmates' papers.
